WHAT IS THIS NOTICE?

This is your annual notice of property value, or NOPV. **It is not a bill, and no payment is required.** This notice will:

- Inform you of the assessed value of your property for tax year 2023-24, and tell you how to challenge it if you believe there is a mistake.
- Explain how property taxes are calculated.
- Provide an estimate of your property tax for tax year 2023-24.

Please keep a copy of this notice with your records. You may also view your NOPV and property tax bills online at www.nyc.gov/nopv.

ESTIMATED 2023-24 PROPERTY TAX

We cannot calculate your 2023-24 property tax until the new tax rate is established by the city council. Until then, you will pay the 2022-23 rate. The table below estimates the amount you will owe by multiplying the taxable value of your property by the current tax rate of 20.309%. This table is provided for informational purposes only; the actual amount you owe may differ.

Please note that property tax abatements, including the co-op/condo abatement, are not included in this estimate. If you receive any abatements, they will be subtracted from your property taxes. Check your July tax bill for the value of any abatements you receive. See page two for information about the importance of your property's "effective market value" in determining your property taxes.

Year	Taxable Value		Tax Rate		Estimated Property Tax
2023-24	\$25,020	x	0.20309	=	\$5,081.31

ABOUT YOUR PROPERTY TAXES

Property taxes are determined using a complex formula that takes into account many different amounts and calculations. Visit www.nyc.gov/nopv for more information about property valuation and taxation.

Structural Change to Your Property

As of January 5, 2023, our records show that there has been a structural change to your property due to:

☒ Demolition

☐ New Construction

☐ Alteration

The Department of Finance included a decrease of \$24,000 for this structural change when we estimated your market value.

WHAT TO DO IF YOU DISAGREE WITH THESE VALUES

Challenge Your Market Value with the Department of Finance

If you believe the Department of Finance has made an error in determining your market value, you may submit a "Request for Review" form. The form is available at www.nyc.gov/nopv, or by calling 311.

Many property owners consider requesting review of their market value in hopes of reducing their property tax. However, your property tax will not go down unless you can prove that the market value should be lower than the effective market value.

Deadline: March 15, 2023

Challenge Your Assessed Value with the New York City Tax Commission

You have the right to challenge your assessed value by appealing to the New York City Tax Commission, an independent agency that is separate from the Department of Finance. The Tax Commission has the authority to reduce your property's assessed value, change its tax class, and adjust your tax exemptions. The Tax Commission cannot change your market value, property description, or building class.

Your application must be received by the filing deadline. To access Tax Commission appeal forms, visit www.nyc.gov/taxcommission. You may also visit a Department of Finance business center (locations at www.nyc.gov/nopv). For more information, call 311.

Deadline: March 15, 2023

PLEASE REVIEW: YOUR PROPERTY DETAILS

The Department of Finance has the following information on record for your property. Please review this information and inform us of any errors by filing a "Request to Update" form, available at www.nyc.gov/nopv or by calling 311.

- **Market value** is the Department of Finance's estimated value for your property.

- **Assessed value** is calculated by multiplying your market value by the assessment percentage. Your assessed value is subject to caps which limit how much it can increase each year.
- **Effective market value** is calculated by dividing the assessed value by the assessment percentage.
- **Exemption value** is the amount of the reduction in your assessed value as a result of any property tax exemptions you receive.
- **Taxable value** is the assessed value minus the exemption value.

HOMEOWNER TAX EXEMPTIONS

New York City offers tax breaks known as exemptions to seniors, veterans, clergy members, people with disabilities, and others. In addition to reducing your taxes, many exemptions can keep you out of the lien sale. See the enclosed sheet for more information about the lien sale.

The deadline to apply for homeowner exemptions is March 15, 2023. For more information, visit www.nyc.gov/nopv or call 311.

New York State offers a STAR benefit that covers many homeowners and an Enhanced STAR benefit for seniors. If you applied with the state for the STAR or Enhanced STAR credit after March 15, 2015, the credit will not appear on this notice. Visit www.tax.ny.gov/star for more information.

CO-OP/CONDO TAX ABATEMENT

Owners of cooperative and condominium units can receive an abatement that will help them save money on their property taxes.

The unit(s) must be in an eligible building and must be the owner's primary residence.

More information about the abatement—including the application, the primary residency verification requirement, and the renewal process—is available at www.nyc.gov/nopv.

If you have questions or need additional information, contact the Department of Finance at www.nyc.gov/contactcoopabat, or call 311.
