**Local Law 33/18 - Disclosure of Energy Efficiency Scores and Grades**

If your property is listed on the CBL for benchmarking compliance, it will be assigned an energy efficiency grade by the Department of Buildings in the form of the Building Energy Efficiency Rating label which will be made available in the covered buildings DOB NOW Public Portal property profiles upon October 1 each year. All grades, except "N," must be printed from the DOB NOW Public Portal and displayed in a conspicuous location near each public entrance within 30 days after October 1 each year.

**Compliance Notification - Greenhouse Gas Emission Reductions (Local Law 97/2019; amended by Local Law 147/2019)**

Beginning on January 1, 2024, covered buildings will be required to meet annual emission limits. This property may be subject to Local Law 97 of 2019, which sets carbon emission limits or prescriptive requirements for buildings, with the first reports due in 2025. Please be aware of potential changes to your building's emission limits as a result of a requirement of the law that the Department of Buildings (DOB) set limits for the 2024-2029 compliance period using property types from the U.S. Environmental Protection Agency's Energy Star Portfolio Manager (ESPM) tool.
