This is your annual notice of property value, or NOPV. **It is not a bill, and no payment is required.** This notice will:

- Inform you of the assessed value of your property for tax year 2020-21, and tell you how to challenge it if you believe there is a mistake.
- Explain how property taxes are calculated.
- Provide an estimate of your property tax for tax year 2020-21.

Please keep a copy of this notice with your records. You may also view your NOPV and property tax bills online at [www.nyc.gov/nopv](http://www.nyc.gov/nopv).

### **ESTIMATED 2020-21 PROPERTY TAX**

We cannot calculate your 2020-21 property tax until the new tax rate is established by the city council. Until then, you will pay the 2019-20 rate. The table below estimates the amount you will owe by multiplying the taxable value of your property by the current tax rate of 12.473%. This table is provided for informational purposes only; the actual amount you owe may differ.

Please note that property tax abatements, including the coop-condo abatement, are not included in this estimate. If you receive any abatements, they will be subtracted from your property taxes. Check your July tax bill for the value of any abatements you receive.

| Year    | Taxable Value |   | Tax Rate |   | Estimated Property Tax |

## ABOUT YOUR PROPERTY TAXES

Property taxes are determined using a complex formula that takes into account many different amounts and calculations. Visit [www.nyc.gov/nopv](http://www.nyc.gov/nopv) for more information about property valuation and taxation.

Your property belongs to one of four broad tax classes and a specific building class.

Your property's tax class helps determine how the Department of Finance calculates what you must pay in property taxes.

The Department of Finance estimates that as of January 5, 2020, the market value for this property is \$354,000.

The Department of Finance calculates your property's value based on the change in year over year value per square foot of similar properties.

Each year, the Department of Finance values approximately 1.1 million properties with a total combined value of \$1.4 trillion. Much of the data we collect during the assessment process is available online. For more information about how properties are assessed and valued in New York City, visit [www.nyc.gov/nopv](http://www.nyc.gov/nopv).

If you own income-producing property, you must file a Real Property Income and Expense (RPIE) statement or a claim of exclusion unless you are exempt by law. You must also file information about any ground or second floor commercial units on the premises, even if you are exempt from filing an RPIE statement. The deadline to file is June 1, 2020. Failure to file will result in penalties and interest, which will become a lien on your property if they go unpaid. Visit [www.nyc.gov/rpie](http://www.nyc.gov/rpie) for more information.

### How You Will Be Billed:

Property tax bills are mailed quarterly for properties with an assessed value of \$250,000 or less and semiannually for properties assessed at more than \$250,000. If you pay your property taxes through a bank, mortgage servicing company, or co-op board, you will not receive a bill from the Department of Finance unless you are responsible for other charges, such as sidewalk or emergency repair charges.

| <p>If you believe the Department of Finance has made an error in determining your market value, you may submit a "Request for Review" form. The form is available at <a href="http://www.nyc.gov/nopv">www.nyc.gov/nopv</a>, or by calling 311.</p> <p>Many property owners consider requesting review of their market value in hopes of reducing their property tax. The Tax Commission has the authority to reduce your property's assessed value, change its tax class, and adjust your tax exemptions. The Tax Commission cannot change your market value, property description, or building class.</p> <p>Your application must be received by the filing deadline. ## HOMEOWNER TAX EXEMPTIONS

New York City offers tax breaks known as exemptions to seniors, veterans, clergy members, people with disabilities, and others. In addition to reducing your taxes, many exemptions can keep you out of the lien sale. See the enclosed sheet for more information about the lien sale.

The deadline to apply for homeowner exemptions is March 16, 2020. For more information, visit [www.nyc.gov/nopv](http://www.nyc.gov/nopv) or call 311.

New York State offers a STAR benefit that covers many homeowners and an Enhanced STAR benefit for seniors. If you applied with the state for the STAR or Enhanced STAR credit after March 15, 2015, the credit will not appear on this notice. Visit [www.tax.ny.gov/star](http://www.tax.ny.gov/star) for more information.

## COOP-CONDO TAX ABATEMENT

Owners of cooperative and condominium units can receive an abatement that will help them save money on their property taxes. Your unit must be in an eligible building and it must be your primary residence.

Your managing agent or board of directors must apply on your behalf and certify that the unit is your primary residence. The deadline is February 18, 2020. Please contact your managing agent or board of directors with any questions.

If you need additional information, or if you do not have a managing agent, contact the Department of Finance at [www.nyc.gov/contactcoopabat](http://www.nyc.gov/contactcoopabat), or call 311.
