- Inform you of the assessed value of your property for tax year 2023-24, and tell you how to challenge it if you believe there is a mistake.

ESTIMATED 2023-24 PROPERTY TAX

We cannot calculate your 2023-24 property tax until the new tax rate is established by the city council. Until then, you will pay the 2022-23 rate. The table below estimates the amount you will owe by multiplying the taxable value of your property by the current tax rate of 10.646%. This table is provided for informational purposes only; the actual amount you owe may differ.

Please note that property tax abatements, including the co-op/condo abatement, are not included in this estimate. If you receive any abatements, they will be subtracted from your property taxes. Check your July tax bill for the value of any abatements you receive.

ABOUT YOUR PROPERTY TAXES

Property taxes are determined using a complex formula that takes into account many different amounts and calculations. Visit www.nyc.gov/nopv for more information about property valuation and taxation.

Your property belongs to one of four broad tax classes and a specific building class.

Your property's tax class helps determine how the Department of Finance calculates what you must pay in property taxes.

The Department of Finance estimates that as of January 5, 2023, the market value for this property is \$439,000.

The Department of Finance develops a baseline land factor per square foot based on sales trends, zoning and floor area ratio.

We estimate your property's market value by adjusting the baseline land factor per square foot by your property's descriptive data.

Each year, the Department of Finance values approximately 1.1 million properties with a total combined value of \$1.4 trillion. Much of the data we collect during the assessment process is available online. For more information about how properties are assessed and valued in New York City, visit www.nyc.gov/nopv.

If you own income-producing property, you must file a Real Property Income and Expense (RPIE) statement or a claim of exclusion unless you are exempt by law. You must also file information about any ground or second floor commercial units on the premises, even if you are exempt from filing an RPIE statement. The deadline to file is June 1, 2023. Failure to file will result in penalties and interest, which will become a lien on your property if they go unpaid. Visit www.nyc.gov/rpie for more information.

How You Will Be Billed:

Property tax bills are mailed quarterly for properties with an assessed value of \$250,000 or less and semiannually for properties assessed at more than \$250,000. If you pay your property taxes through a bank, mortgage servicing company, or co-op board, you will not receive a bill from the Department of Finance unless you are responsible for other charges, such as sidewalk or emergency repair charges.

WHAT TO DO IF YOU DISAGREE WITH THESE VALUES

Challenge Your Market Value with the Department of Finance	Challenge Your Assessed Value with the New York City Tax Commission
<p>If you believe the Department of Finance has made an error in determining your market value, you may submit a "Request for Review" form. The form is available at www.nyc.gov/nopv, or by calling 311.</p> <p>Deadline: April 3, 2023</p>	<p>You have the right to challenge your assessed value by appealing to the New York City Tax Commission, an independent agency that is separate from the Department of Finance. The Tax Commission has the authority to reduce your property's assessed value, change its tax class, and adjust your tax exemptions. The Tax Commission cannot change your market value, property description, or building class.</p> <p>Your application must be received by the filing deadline. To access Tax Commission appeal forms, visit www.nyc.gov/taxcommission. You may also visit a Department of Finance business center (locations at www.nyc.gov/nopv). HOMEOWNER TAX EXEMPTIONS

New York City offers tax breaks known as exemptions to seniors, veterans, clergy members, people with disabilities, and others. In addition to reducing your taxes, many exemptions can keep you out of the lien sale. See the enclosed sheet for more information about the lien sale.

The deadline to apply for homeowner exemptions is March 15, 2023. For more information, visit www.nyc.gov/nopv or call 311.

New York State offers a STAR benefit that covers many homeowners and an Enhanced STAR benefit for seniors. If you applied with the state for the STAR or Enhanced STAR credit after March 15, 2015, the credit will not appear on this notice. Visit www.tax.ny.gov/star for more information.

CO-OP/CONDO TAX ABATEMENT

Owners of cooperative and condominium units can receive an abatement that will help them save money on their property taxes.

The unit(s) must be in an eligible building and must be the owner's primary residence.

More information about the abatement—including the application, the primary residency verification requirement, and the renewal process—is available at www.nyc.gov/nopv.
