If you own income-producing property, you must file a Real Property Income and Expense (RPIE) statement or a claim of exclusion unless you are exempt by law. You must also file information about any ground or second floor storefront units on the premises, even if you are exempt from filing an RPIE statement. RPIE filers whose properties have an actual assessed value of \$750,000 or greater will be required to file rent roll information. The deadline to file is **June 1, 2021**. Failure to file will result in penalties and interest, which will become a lien on your property if they go unpaid. Visit www.nyc.gov/rpie for more information.

The BID assessment includes an adjustment due to a billing correction from a prior year. If you have any questions regarding BID charges, please contact the NYC Department of Small Business Services at (212) 513-6300. If you have questions about any non-BID-related charges please contact the Department of Finance by calling 311 or (212) 639-9675, or visit www.nyc.gov/finance.
